Shoot your way to a HUNT and PRIZES at Rice Creek! Join the League

Join one of our shooting leagues here at Rice Creek and earn points towards hunting here at Rice Creek. Competitive leagues and Our Walk-in Hours start Tuesday April 17th and they are: Tuesday - Thursday 4:00– 7:00 (must start by 7:00) Friday, Saturday, & Sunday 8:00 - 12:00 (must start by 12:00) or by reservation for any other times. We have both 2 and 4 person competitive teams in Low Brass & High Brass. Shoot as an individual in the Small Bore Leagues. For the Family League get as many relatives and friends as you can to shoot on your team, each target broken adds to your team score. All league shooters are invited to the End of the Year Party August 17th, 2012 with lots of prizes for league shooters from our sponsors.

League Teams - All teams receive certificates to hunt at LeBlanc's Rice Creek Hunting & Rec. some bigger, some smaller depending on where you end up in the standings. Prizes at the end of the year party and tournament for teams and individuals. Improve your shooting, shoot at, at least 100 targets per month at your convenience

Low Brass League - Will be the same as last year; Shooters will shoot the 2 courses A & B with a bit easier targets. Reshoot as often as you like and keep the best score. You can have as many subs as you like as long as they pay the $20 league fee; we will use the top 4 (or 2) scores from all the shooters. You can also enjoy a handicapped system and division of classes that keeps shooters on a more level shooting field. There will be bonus hunting if you win your division.

High Brass League (Low Brass Plus) - Your part of the Low Brass league, if you shoot all the required high brass targets you are also eligible to win that league. Shooters in this league will shoot A & B courses the first round and then get the C course in the last three rounds; when we add the C course it will be set up in a super sporting layout with extra throwers to make your targets a bit tougher. It will be 75 targets each course A & C together, B & C together. Reshoot as often as you like and keep the best score. A & B scores are handicapped and your actual C course score is added to it. There will be bonus hunting if you win your division.

Family League - This year get your family together and see how many targets you can break; each one broken adds to your total, there is no limit to how many you shoot at or how many family members you bring. If you shoot at 2100 targets, your family will win a party automatically. Remember the rule; you can pick your friends but you can't pick your family, so if you bring someone to shoot and you say they're family to you, then they're family to us and they can shoot on your team. There are no entry fees for a family team.
